Serving Northwest Industry Since 1984

Air Pollution Control Equipment	HVAC Systems
Ash Handling	Incinerators
ASME Pressure Vessels	Humidifiers
Baghouses	Incinerators
Carbon, Activated	Lab Hoods
Chillers, Packaged Air/Water	Lime Kilns
Closed Circuit Coolers	Louvers: Metal and Fiberglass
Coils: Steam, Water, DX	Make-up Air Units
Condensate Pumps	Material Handling Systems
Condensers: Shell & Tube, Surface	Mist Eliminators
Control Room Purification	Multi-clones, Tube Replacements
Cooling Towers	Noise & Vibration Suppression Equipment
Dampers: Fiberglass & Metal	Packed Towers, Packing, Internals
Dehumidifiers	Paper Machine Hoods and Air Systems
DI Water Systems	Plate & Frame Heat Exchangers
Dryer Hoods	Pocket Ventilation Systems
Duct and Ventilation Systems	Pollution Control: Air & Gas
Dust Control Systems	Pressure Vessels, ASME Code
Eductors, Ejectors, Venturis	Pulp Mill Air Systems
Evaporators	Roof Sweep Systems
Explosion Proof Heaters	Scrubbers: Venturi, Cyclone, Packed, Spray
Fans: Fiberglass, Stainless, Aluminum	Scrubber Packing and Internals
Fiberglass Custom Fabrication	Separators: Fiber, Liquid, Particulate
Fiberglass Duct, Pipe & Fittings	Shell & Tube HX
Filter Systems, Liquid and Gas	Steam & Condensate Systems
Fume Collectors and Recovery	Steam Water Heaters
Gas Fired & Electric Radiant Heaters	Stock & Slurry Heat Exchangers
Heat Exchangers: Shell & Tube, Plate	Tanks: FRP, Metal, Custom Fabrication
Heaters: Steam, Radiant, Water, Electric	Trim Conveying Systems
Heat Tracing	Ventilation Systems
Hoods: Dryer, Fume, Washer	VOC Collectors
