Serving Northwest Industry Since 1984

AIR CHEM SYSTEMS
Scrubbers, Dampers, Ducts, and Fittings

JAEGER PRODUCTS INC.
Scrubber Packing, Trays, and Column Internals

ALFA LAVAL INC.
Plate and Frame Heat Exchangers

KATHABAR

KATHABAR
Dehumidification Equipment

ANDERSON SNOW CORPORATION
Steam, Water, and DX Coils

KETEMALP

KETEMA LP
Heat Exchangers, Chillers, and Condensers

BONDSTRAND / AMERON INTL.
Fiberglass Pipe, Duct, and Fittings

PLASTICAIR INC.
Fiberglass Fans and Scrubbers

CANATAL INTERNATIONAL INC.
Computer Room and Industrial A/C

PROCESS EQUIPMENT / BARRON
Material Handling, Industrial Fans, Fan Rebuilds, Dampers, Expansion Joints

ENERGY LABS INC.
Custom Air Handling Units

RUFFNECK HEATERS
Steam and Electric Explosion-Proof Unit Heaters

EVAPCO INC.
Cooling Towers, Closed Circuit Coolers, and Water Treatment

SERBACO INC.
Industrial Air Systems, Baghouses, and Pollution Control

EVAPTECH INC.
Field Erected Cooling Towers

SEVERN TRENT SERVICES
Eductors, Venturis, Jet Ejectors, Desuperheaters

GRISWOLD FILTRATION
Cyclonic Filters and Media Filter Systems

SOUTHERN ENVIRONMENTAL
Electrostatic Precipitators, Parts and Service

HYDAC CORPORATION
Self-Cleaning Process Filters

TRI-METAL FABRICATORS
Fans, Make-up Air Units, and Silencers

INDUSTRIAL AIR TECHNOLOGY
Industrial Centrifugal Fans and Blowers

WARREN CONTROLS
Precision Control Valves & Accessories

WATSON MCDANIEL
Steam Specialty Products and Hot Water Packages

Fox Engineering is a **Mr. GoodTower Service Center** certified to service all brands of existing evaporative cooling equipment (Evapco, BAC, Marley, etc) regardless of age or model type. Call us today to schedule your **Free Unit Inspection**.

Serving Northwest Industry Since 1984

Air Pollution Control Equipment	HVAC Systems
Ash Handling	Incinerators
ASME Pressure Vessels	Humidifiers
Baghouses	Incinerators
Carbon, Activated	Lab Hoods
Chillers, Packaged Air/Water	Lime Kilns
Closed Circuit Coolers	Louvers: Metal and Fiberglass
Coils: Steam, Water, DX	Make-up Air Units
Condensate Pumps	Material Handling Systems
Condensers: Shell & Tube, Surface	Mist Eliminators
Control Room Purification	Multi-clones, Tube Replacements
Cooling Towers	Noise & Vibration Suppression Equipment
Dampers: Fiberglass & Metal	Packed Towers, Packing, Internals
Dehumidifiers	Paper Machine Hoods and Air Systems
DI Water Systems	Plate & Frame Heat Exchangers
Dryer Hoods	Pocket Ventilation Systems
Duct and Ventilation Systems	Pollution Control: Air & Gas
Dust Control Systems	Pressure Vessels, ASME Code
Eductors, Ejectors, Venturis	Pulp Mill Air Systems
Evaporators	Roof Sweep Systems
Explosion Proof Heaters	Scrubbers: Venturi, Cyclone, Packed, Spray
Fans: Fiberglass, Stainless, Aluminum	Scrubber Packing and Internals
Fiberglass Custom Fabrication	Separators: Fiber, Liquid, Particulate
Fiberglass Duct, Pipe & Fittings	Shell & Tube HX
Filter Systems, Liquid and Gas	Steam & Condensate Systems
Fume Collectors and Recovery	Steam Water Heaters
Gas Fired & Electric Radiant Heaters	Stock & Slurry Heat Exchangers
Heat Exchangers: Shell & Tube, Plate	Tanks: FRP, Metal, Custom Fabrication
Heaters: Steam, Radiant, Water, Electric	Trim Conveying Systems
Heat Tracing	Ventilation Systems
Hoods: Dryer, Fume, Washer	VOC Collectors
